

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SR00235AT

This certificate issued to

Bell Helicopter Textron, Inc.
441 Industrial Park Road
Piney Flats, TN 37686

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product -- Type Certificate Number : H2SW

Make : Bell Helicopter Textron Canada Limited

Model : 206A,B,L,L-1,L-3,L-4;407

Description of Type Design Change: Installation of Headset Retention Brackets in accordance with Aeronautical Accessories, Inc., Drawing List Report No. AA-93041, Revision A, dated December 15, 1998, or later FAA approved revision.

Limitations and Conditions: The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : July 08, 1992

Date reissued : February 01, 2011

Date of issuance : May 12, 1993

Date amended : February 08, 1999
